CONFIDENTIALITY

All personal information you supply will be treated as private & confidential. We will use & disclose the information we have about you in the normal course of arranging and administering your insurance. We may use information we hold about you to provide information about other products or services that we feel may be appropriate to you.

Where payment has not been made within our credit terms and we have written to advise you of this first, we may pass your details to a debt recovery agency. Otherwise, your details will only be given to a third party where this is required by law, public interest, or to regulatory bodies such as the Financial Services Authority or Financial Ombudsman Service.

DISCLOSURE OF INFORMATION

It is your responsibility to provide complete and accurate information to insurers when you take out your insurance, throughout the life of your policy and when you renew your insurance. It is important that all statements you make on any proposal form are full and accurate and that all material facts are disclosed. Failure to do so may invalidate your insurance cover and could mean that all or part of a claim may not be paid.

NOTE: For certain contracts, a statement of facts will be used in place of a proposal form. Although this document does not require your signature, it is still essential to check the details included and advise us immediately of any discrepancies. This statement forms the basis of the contract between you and your insurers who will rely on the information contained.

Material facts are matters or information which may influence your insurer as to the acceptability or otherwise of your Proposal or renewal of the insurance. Examples for a motor policy could include claims, convictions, licence suspensions or car modifications. For other policies it could include criminal convictions, pre-existing medical conditions or property subsidence. **This duty of disclosure exists throughout the life of the insurance. You are advised to keep copies of documentation sent to or received from us for your own protection. Please consult us if you are in any doubt.*

A-ONE INSURANCE SERVICES

Terms of Business

AWARENESS OF POLICY TERMS

When a policy is issued, you are strongly advised to read it carefully as this, together with the schedule and any certificate of insurance forms the basis of the insurance contract you have purchased. If you are in doubt over any of the terms or conditions, you are advised to seek our advice promptly.

PREMIUM PAYMENT

We will accept payment by guaranteed cheque, cash or the following credit/debit cards: MasterCard, Visa, Switch or Delta.

You may also be able to spread your payments by providing post dated cheques or through an instalment facility either offered by your own insurance company, or a separate premium finance scheme arranged by us. We will give you full information about your payment options when we discuss your insurance in detail.

When you pay your premium to us, we hold it in a designated trust account as agent of your insurer or intermediary, prior to settling with them. Interest is not payable to you on any premium you have paid. Your premium may be contained with that of other insurers or intermediaries (Permitted under FSA rules), however your money will be protected at all times because of the requirements of the FSA.

By accepting these Terms of Business, you are giving your consent for us to operate in this way.

However for personal (retail) insurance policies cancelled within 14 days of policy receipt, we will refund our fees (subject to a minimum retained charge of £25) on a pro-rata basis, in addition to any return premium available from your insurers.
